ICAgile - Agile Team Facilitation for Agile Coaches and Scrum Masters (ATF)

megasoft

Course Description

Being a great coach or Scrum Master requires excellent facilitation skills. In this class, you will experience (not just learning theory) facilitating and running effective meetings and conversations. You will learn the essentials of the necessary human dynamics needed for effective collaboration as well as a number of concrete facilitation tools and techniques and when to use them. Attend this class to enhance your ability to guide an agile team towards successful self-organization.

Target Audience

Agile team leaders or aspiring team leaders with a passion for servant leadership and a desire to learn and practice the art of facilitation in the context of team facilitation and coaching. Relevant roles include Scrum Masters, Agile Project Managers, Agile Coaches and aspiring coaches, Product Owners, Business Analysts, and anyone with the desire to explore the power of facilitation.

Course Requirements

Preferred to be certified over agile fundamentals program ICP
