

In a world of vast market changes and emerging markets agile came to the rescue. The Agile Umbrella is a breakthrough to managing those changes. However, Agile is a word of many spectrums and this course is the gateway to a journey of a lifetime.

Course Objectives:

Upon Completion of this Workshop, participants will be able to

- Understand agile mindset, values, and principles
- Exposure to different agile methodologies and their common grounds
- Understand agile tools and techniques
- Understand team collaboration mechanics in agile teams
- Understand how to prioritize the value driven to the customer
- Feel the day-to-day life of agile teams

Training Method:

- Instructor-led Classroom Training
- Total of 8 hours, 1 full day sessions,
- Schedule will be determined upon agreement

The session will include Agile games and practices to illuminate the different Agile values and principles, and to make the learning process more fun and enjoyable.
