

PRINCE2® 7 Practitioner

Certification: PRINCE2® 7 Practitioner
Duration: 2 Days

Accreditor: PEOPLECERT on behalf of AXELOS
Delivery: Classroom, Live-Online

PRINCE2® 7 Practitioner extends your knowledge and understanding to enable you to apply and tailor the PRINCE2® project management method.

PRINCE2 is a globally recognized and established project management method that offers a structured, scalable, and tailorable approach to project management. Its focus on governance, risk management, and benefits realization sets it apart from other qualifications. By integrating agile concepts and emphasizing tailoring, the new PRINCE2 is even more adaptable to diverse project environments.

PRINCE2 Foundation provides theoretical knowledge of how to plan, manage and deliver projects from start to finish. A pass at Foundation level is a prerequisite for the Practitioner certification.

PRINCE2 7 addresses changes in the project management sector and adapts to evolving working practices and technologies.

Key Updates for Emboldening Success:

1. Central Focus on People Management, recognizing the importance of human capital in project success.
2. Enhanced Flexibility and Customization, adapting to the unique requirements of each project, across sectors.

3. Embracing Digital and Data Management, equipping you with the right tools to keep your projects up to date in the digital era.
4. Integration of Sustainability into Project Performance, aligning projects with environmental and social responsibility goals.
5. Compatibility with Agile, Lean, and ITIL, enhancing overall project performance.
6. Designed for all professionals, including aspiring or experienced project managers, using simplified language and content which makes it more accessible to all.

Target Audience

- All Project Managers (certified and uncertified)
- Aspiring Project Managers
- For everyone aiming to enhance their project management skills
